Sir,

Mayo Hall Offices - Monthly cleaning and washing - sanction of expenditure - requested.

. . . .

I have the honour to state that the Public Offices attached to the Mayo Hall require a thorough cleaning and washing once a month, as there are now many new offices located in this building and as the number of public who daily visit these offices has increased considerably. It is found to be not possible for the 2 sweepers attached to the Public ~~Offices~~ Offices to do this work. I have arranged with the Health Officer of the Station Municipality to thoroughly clean and wash the building once a month by engaging 12 sweepers of his staff. It is proposed to pay a remuneration of Rs. 7/- per mensem to this
